THE SECRET'S IN THE SCIENCE®

HEIFER CARE®

ORGANICALLY CHELATED TRACE ELEMENT, VITAMIN AND AMINO ACID DRENCH

Agri ◆ Lloyd
THE SECRET'S IN THE SCIENCE®

ORGANICALLY CHELATED TRACE ELEMENT, VITAMIN AND AMINO ACID DRENCH

Heifer Care® is an organically chelated trace element, vitamin and amino acid supplement specifically designed for heifers providing support for the stressful demands of entering the milking herd.

It is often difficult to balance high growth rates in immature heifers whilst maintaining good health and immunity status.

Heifer Care® can help to supply key nutrients required to maintain health status and build immunity during rapid growth periods.

In addition, improved appetite, growth, development and fertility should ensure even batches of in-calf heifers coming forward into the herd.

All Agri-Lloyd formulations are based on the clinically known needs of the animal, high bioavailability of the product and the results of independent trials. The formulations are unique, providing long term benefits that allow stock to perform to their full potential.

MINERALS

COBALT
MANGANESE
IODINE
SELENIUM
MOLYBDENUM
COPPER
ZINC
IRON

TRACE ELEMENTS

MAJOR ELEMENTS

CALCIUM
PHOSPHORUS
POTASSIUM
SODIUM
CHLORINE
SULPHUR
MAGNESIUM

TRACE ELEMENTS
A combination of minor minerals (or trace elements) are used daily for hormone production, enzyme formation, immune response, components of vitamins and amino acids, cell metabolism, etc

MAJOR ELEMENTS
Help major functions such as growth, bone formation and skeletal development.

AGRI-LLOYD CATTLE CARE PRODUCTS

CALF CARE®
Up to 3 months

HEIFER CARE®
From 3 months up to and including mid/late pregnancy

COW CARE®
Dairy Cows
